## **Mission and Activities Statement**

### **Mission**

The Australian Advisory Board on Autism Spectrum Disorders is the national peak body providing strategic advice to the Australian government on the issues affecting people with an autism spectrum disorder (ASD) and their families.

### **Activities**

As a consequence, the Board agrees to meet face to face 3 times per year, with its core activities being to:

- identify current strategic issues and develop position papers
- meet with relevant Ministers, Ministerial Advisors and senior bureaucrats in government and in opposition
- identify key issues that will provide direction for a 5 year agenda for autism
- promote the National Call to Action
- promote Autism Month
- co-host the bi-ennial conference
- publish Communiqués after each Board meeting and distribute them widely through out the autism community
